

## **Scott D. Neil, MSW**

Assistant Manager, Touchmark at Mt. Bachelor Village  
Administrator, Residential Care  
Administrator, Touchmark Home Services

Scott handles many responsibilities. In his role as Assistant Manager, he helps direct all aspects of the resort retirement community, including cottages, Independent Living, and Residential Care. As Residential Care Administrator, he oversees this service, which provides assistance to people. As Administrator of Touchmark Home Services, Scott oversees the award-winning Home Health and Home Care services, which are offered to people throughout Central Oregon.

Scott joined Touchmark's Administrator-In-Training program in October 2004 at Waterford on South Hill in Spokane, Washington, and focused on Sales and Marketing as well as Health Services Administration. He then moved to Touchmark's community in Bend.

Before joining Touchmark, Scott worked as a child-family therapist and school counselor at the elementary and middle school levels in the Vancouver and Walla Walla public school systems in Washington. He then taught English, History, and Biblical Studies in a private school as well as served as Vice Principal. He graduated in 1994 from Walla Walla College with a master's degree in Social Work.

Born and raised in the Northwest, Scott is happy to be back in Central Oregon; he previously lived in Bend for eight years during his elementary and middle school years.

Scott and his wife, Jenny, have two children, River and Summer. They enjoy spending time outdoors; Scott's favorite pastimes are golfing, biking, skiing, and kayaking.
